

# Seek Studios

finding the breathtaking moments in your story

## BABY PHOTOGRAPHY/MATERNITY

*When you work with Seek Studios, you can expect to find expertise (15+ years), quality, attention to detail, and kindness. We love getting to know our clients and their story, and we know that those traits are vital in good story telling. We felt the best way to serve our clients and truly tell their story is to be a full-service boutique studio. What does that mean, you may ask?*

*We strive to meet your needs and capture your story from start to finish. This means you won't walk away from us with just a disc of images (or thumb drive) that sits in your drawer. We want to take the added work of creating memory keepsakes like albums, prints, wall art, and family gifts off your plate and help you create works of art that stand the test of time. We want you to walk away with your completed story in hand, the way you want, within your budget.*

### First Year Narratives: Cost- \$375-

- This cost includes **4 sessions** of your choosing that help capture the entire story of your precious life coming into the world. Choose between: **Maternity, Newborn, 3mo., 4mo., 6mo., 8mo., 12mo., or 18mo.**

Most of the newborn sessions will be done in-home for maximum comfort for you and your family. However, all the other sessions can be done in-home, in-studio, or on location.

We begin with a consultation where we will discuss timing, style, your needs, and what we can offer to maximize the use of your images. About 2 weeks after your session, we schedule a time for an ordering session where you will have the opportunity to order prints, wall portraits, books, or anything else you may like. We usually show 30-50 of the best edited images for you to choose from. You will also have the opportunity to purchase digital files, if you wish. My average family can expect to spend between \$500-\$2000 on prints and products depending on what pieces you choose.

If you choose to purchase an individual session, the cost is **\$100** per session. We will still schedule an ordering session within 2 weeks after your photo session.
